

Magical Lullabies

Amos J. & Jérôme Fortin

The Magical Lullaby

Music by: Jérôme Fortin

Lyrics by: Jérôme Fortin and Sylvain Trudel

A little bird has come to perch
At the edge of the window (bis)
He came to make sure
That your mommy tucked you into bed

**Sing, little bird, sing
The magical lullaby**

A ladybug has joined the bird
At the edge of the window (bis)
She came to make sure
That your eyes are shut
and tightly closed

**Sing, ladybug, sing
The magical lullaby**

A cat has joined the ladybug
At the edge of the window (bis)
He came to make sure
That you're comfy and soundly asleep

**Sing, white kitty, sing
The magical lullaby**

A woodpecker has joined the cat
At the edge of the window (bis)
He came to make sure
That you're dreaming
sweetly and alright

**Sing, woodpecker, sing
The magical lullaby**

All the new friends jumped off
and returned to their homes (bis)
Each of them feels weary
But they all sing happily

Let's sing together softly
The Magical Lullaby (bis)

Sleep Golden Sunshine

Music by: Jérôme Fortin

Lyrics by: Jérôme Fortin and Sylvain Trudel

Stars are falling from the sky
The moon put on her evening gown
It's time to get a good night's sleep
Your steamboat is about to leave

As you're drifting in the wind
You may go anywhere you wish
See monkeys, bears and flying fish
Through fluffy clouds it all begins

Sleep, golden sunshine
Your sweet eyes are closed
You feel warm and cozy
In the bedtime of your dreams
Sleep, golden sunshine
Fly over the rainbow
The beach is far away
Inviting you to play

You had a wonderful day
You did new things in your own way
Watching Mom and Daddy do
Trying hard to do it too
The Rainbow Queen is proud of you
You learned a million things or two
Hug and kiss, climb into bed
Where many dreams will fill your head

Sleep, golden sunshine
Your sweet eyes are closed
You feel warm and cozy
In the bedtime of your dreams

Sleep, golden sunshine
Fly over the rainbow
The beach is far away
Inviting you to play

Sleep, golden sunshine
Your sweet eyes are closed
You feel warm and cozy
In a bedtime harmony

Sleep, golden sunshine
You've been good today
Tomorrow is a new
Inviting you to play (bis)

Tout est possible

Lyrics and Music by: Jérôme Fortin

Un éléphant rose qui cause,
qui cause
Un éléphant rose,
ça se peut en rêvant

Une souris blanche qui danse,
qui danse
Une souris qui danse,
ça se peut en rêvant

**Tout est possible,
suffit de faire le vide
Tout est possible,
au pays des rêves (bis)**

Un poisson qui pense
à une souris qui danse
Un poisson qui pense,
ça se peut en rêvant

Une tortue qui chante
à un poisson qui pense
Une tortue qui chante,
ça se peut en rêvant

**Tout est possible,
suffit de faire le vide
Tout est possible,
au pays des rêves (bis)**

Un enfant qui danse,
qui pense, qui chante
Un enfant qui grandit
au pays des rêves

Go, You're Free

Music by: Jérôme Fortin
Lyrics by: Jérôme Fortin and Sylvain Trudel

Snuggle up to Mom
Snuggle up to Mom so sweetly
Snuggle up to Teddy bear
Snuggle up without a care

In my arms your dreams begin
Your sorrows drift away in the wind

Go, go, go, you're free
Listen to my heart that beats

Softly

**Your body feels so sleepy
Tomorrow tell me what you saw
tralali and tralala
Tomorrow tell me what you saw
patati and patata**

All the love that fills your dream
Taking you to places unseen
Spread your wings and start to fly
Touch the bright blue of the sky

Fly away now little bird
Fly and make the leap
without words
Go, go, go, you're free
Listen to your heart that beats

Softly

**Your body feels so sleepy
Tomorrow tell me what you saw
tralali and tralala
Tomorrow tell me what you saw
patati and patata**

Life Is So Sweet

Music by: Jérôme Fortin

Lyrics by: Jérôme Fortin and Sylvain Trudel

Your sweet, shining eyes
Gazing at the stars
Your cute little hands
Wrapped around my arms
Once the night has come

Life is so sweet
When you're safe and you're tucked
in mom and daddy's arms (bis)
Life is so sweet, when you sleep

Music in your ears
A cozy melody
You learn and you hear
Life is a mystery
Once the night has come

Life is so sweet
When you're safe and you're tucked
in mom and daddy's arms (bis)
Life is so sweet, when you sleep

Little Treasure

Music by: Jérôme Fortin

Lyrics by: Jérôme Fortin and Sylvain Trudel

Happiness fills our lives
Our lives

It's glowing in your eyes
Fills the sky

You light up our horizons
Always welcome to come in
To come in

Do you feel the kisses on your
cheeks?
On your cheeks

Delighted by your happy smile
Happy smile

Little treasure you're so sweet,
So lovely when you're asleep
When you sleep

We sing this song in unison
To let all of your dreams begin
To begin

Madam the Moon

Music by: Jérôme Fortin

Lyrics by: Jérôme Fortin and Sylvain Trudel

Madam the Moon up in the sky
Madam the Moon piercing the fog
 Threading her way
 between the clouds
To keep her caring eye on you
To keep her caring eye on you

Madam the Moon is here for you
Madam the Moon is your night-light
Blankets you with a peaceful glow
To drive all bad dreams away

Drive all your bad dreams away

Madam the Moon shines until dawn
Madam the Moon's going to sleep
 Returns to her peaceful cloud
 Waiting for the night to come
 Waiting for your night to come

The Gift

Music by: Jérôme Fortin

Lyrics by: Dominique Nadeau et Sylvain Trudel

Mommy gave a gift to you
Beautiful and precious too
Growing strong within her womb
Baby child is coming soon

Into you she put her heart
Her sweet love and tender warmth
Day after day patiently
The miracle that came to be

**She gave you the gift of life
Now the two of you will be
Together till the end of time
Forever as a family**

You will love and you will cry
Tears of joy will fill your eyes
You will learn and you'll fall down
You'll always get up off the ground

The sun and the animals
The colours of the rainbow
The birds and the stars that glow
Every day's a gift that grows

**Mom gave you the gift of life
Now the two of you will be
Together till the end of time
Forever as a family**

The sun and the animals
The colours of the rainbow
The birds and the stars that glow
Every day's a gift that grows

It will be your turn one day
To sing, to laugh, to play
To share your love and say:
"Our family was born today!"

The birds and the stars that glow
Every day's a gift that grows

Awaiting you on a Sunday

The Prelude of Words

Music by: Jérôme Fortin

Lyrics by: Jérôme Fortin and Sylvain Trudel

Tell me, tell me,
What do you see?
Are there colours?
Fields of flowers?

Tell me, tell me,
What do you hear?
The birds that you've seen?
The run of a stream?

Tell me, tell me,
What's on your mind?
Your little cat?
Stories from dad?

Tell me, tell me,
The song of your heart
All of your dreams
Where'd you like to start?

Tell me, tell me,
Tell me tomorrow
The night has fallen
The cricket song sings
